

Collateral Damage?

©2004 Stephen V. Silluzio

This Little Guy Never Hurt Anyone.

He is on the
Top 10 List of Species in Need of Protection.*

Note the Angelic Expression and Intelligent Features.

He is commonly known as the Wood Turtle
(*Glyptemys insculpta*), and has been reported to live
downstream of the TMB Property!!!

Not only do we love this guy, but so does the **NJ-DEP**.
(NJ Department of Environmental Protection)

*Endangered Species Coalition
(December 31, 2008)
but, more importantly, he is on the NJ-DEP
Threatened & Endangered Species List.

Livingston-Short Hills
COALITION

Dedicated to the Preservation of the South Orange Avenue Corridor

...and *Glyptemys Insculpta!*
